Background to the Extraordinary Resolution

Each of the Issuer and the Guarantor has failed to make payment of the full amount of accrued interest due and payable on 26 September 2025 and 26 March 2026 (the **"September 2029 Notes Non-Payments of Interest"**) under Condition 5 (*Interest*) of the September 2029 Notes. As a result of the September 2029 Notes Non-Payments of Interest and the expiry of the respective period of 30 days following the non-payment, the Events of Default have occurred pursuant to Condition 10(a) (*Non-Payment*) of the September 2029 Notes (the **"September 2029 Notes Events of Default"**). The Trustee understands that September 2029 Notes Events of Default are continuing as at the date of this notice.

Pursuant to paragraph 3 of Schedule 3 of the Trust Deed (*Provisions for Meetings of Noteholders*), the Trustee shall convene a meeting of Noteholders if it receives a written request by Noteholders holding at least 10 per cent. in nominal amount of the September 2029 Notes. The Initial Instructing Holder holds at least 10 per cent. of the nominal amount of the September 2029 Notes currently outstanding.

The Initial Instructing Holder has requested the Trustee to inform all Noteholders:

- (a) that the Instructing Holders are represented by Sullivan & Cromwell (Hong Kong) LLP as legal adviser (the **"Instructing Holders' Counsel"**) and working with Moelis & Company as financial adviser. Noteholders are invited to direct any queries in relation to the proposals set out in the Extraordinary Resolution to the Instructing Holders' advisers using the notice details below:

Sullivan & Cromwell (Hong Kong) LLP: greenland@sullcrom.com

Moelis & Company: Project_Greenland_Ext@moelis.com

- (b) that the Initial Instructing Holder requests Noteholders to provide details of the principal aggregate amount of September 2029 Notes held by them to the Trustee, and further requests Noteholders to contact the Initial Instructing Holder through the Instructing Holders' Counsel with respect to this Notice and the Extraordinary Resolution; and
- (c) that the Initial Instructing Holder (i) has entered into a deed of indemnity (the "**Indemnity**") in favour of the Trustee in connection with this Notice and the proposals set out in the Extraordinary Resolution; and (ii) invites Noteholders to consider acceding to the Indemnity as an Instructing Holder and contributing towards the pre-funding required by the Trustee in connection with the instructions given or to be given under the Indemnity including the potential Enforcement Routes. Noteholders considering accession to the Indemnity may obtain a copy of the Indemnity with redaction as the Instructing Holders' Counsel deem appropriate, including the accession deed thereto, by contacting the Instructing Holders' Counsel at the notice details above.

The Initial Instructing Holder has requested that its statement is appended to this Notice as Appendix 1 (the "**Instructing Holder Statement**"). The Instructing Holder alone is responsible for the Instructing Holder Statement, and the Instructing Holder Statement does not represent the views or position of the Trustee and the contents have not been verified by the Trustee. The Trustee is not responsible for and shall not be held liable for any of the contents of the Instructing Holder Statement.

The Trustee has not been involved in the formulation of the steps contemplated in the Extraordinary Resolution. None of the Trustee, the Initial Instructing Holder or their respective legal advisers has expressed any opinion on the merits of the steps contemplated in the Extraordinary Resolution or on whether Noteholders would be acting in their best interests in approving the Extraordinary Resolution, and nothing in this Notice should be construed as a recommendation to Noteholders from the Trustee, the Initial Instructing Holder or their respective legal advisers to vote in favour of, or against, the Extraordinary Resolution. Noteholders should take their own independent financial, accounting and legal advice on the merits and on the consequences of voting in favour of, or against, the Extraordinary Resolution, including as to any tax consequences. On the basis of the information set out in this Notice of Meeting, the Trustee has authorised it to be stated that the Trustee has no objection to the Extraordinary Resolution being put to Noteholders for their consideration.

General

Copies of (i) the Trust Deed; (ii) the Deed of Guarantee, (iii) the Pricing Supplement relating to the September 2029 Notes and (iv) this Notice of Meeting are available to Noteholders (a) up to and including the date of the Meeting via e-mail from the Trustee and (b) at the Meeting.

The attention of Noteholders is particularly drawn to the procedures for voting, quorum and other requirements for the passing of the Extraordinary Resolution at the Meeting or any meeting held following any adjournment of the Meeting, which are set out in the second paragraph of 'Voting and Quorum' below. Having regard to such requirements, Noteholders are strongly urged either to attend the Meeting or to take steps to be represented at the Meeting as soon as possible.

Voting and Quorum

The September 2029 Notes are currently represented by a Global Certificate which is registered in the name of HSBC Nominees (Hong Kong) Limited (as nominee for The Hongkong and Shanghai Banking Corporation Limited acting as Common Depository for Euroclear SA/NV ("**Euroclear**") and Clearstream Banking S.A. ("**Clearstream**")) (the "**Registered Holder**").

Each person who is the owner of a particular nominal amount of the September 2029 Notes through Euroclear, Clearstream (a "beneficial owner") or a person who is shown in the records of Euroclear or Clearstream as a holder of the September 2029 Notes (a "**Direct Participant**"), should note that a beneficial owner will only be entitled to attend and vote at the Meeting in accordance with the procedures set out below and where a beneficial owner is not a Direct Participant it will need to make the necessary

arrangements, either directly or with the custodian, broker, or other intermediary through which it holds its September 2029 Notes (the “**Intermediary**”), for the Direct Participant to complete these procedures on its behalf.

Beneficial owners are encouraged to contact their Direct Participant and Intermediary as soon as possible in relation to the Meeting, to submit an Electronic Voting Instruction (as defined below) in relation to the meeting (whether voting at the Meeting or through a proxy appointed by the Registered Holder) and to block its September 2029 Notes.

1. Subject as set out below, the provisions governing the convening and holding of a meeting of the Noteholders are set out in Schedule 3 to the Trust Deed, a copy of which is available to the Noteholders as referred to above.

The Registered Holder may by an instrument in writing in the English language (a “**form of proxy**”) executed or signed by it and delivered to The Hongkong and Shanghai Banking Corporation Limited, as the Transfer Agent, not less than 48 hours before the time fixed for the Meeting, appoint any person (each a “**proxy**”) to act on his or its behalf in connection with the relevant Meeting and any adjourned such Meeting.

A proxy so appointed shall so long as such appointment remains in force be deemed, for all purposes in connection with the relevant Meeting to be the holder of the September 2029 Notes to which such appointment relates and the Registered Holder shall be deemed for such purposes not to be holder.

1.1 *Attending and voting at the Meeting in person or via any person (other than the proxy appointed by the Registered Holder in its block form of proxy below)*

A beneficial owner who wishes to attend and vote at the relevant Meeting and any adjourned Meeting in person or via another person (other than the proxy appointed by the Registered Holder in its block form of proxy) must:

- (i) arrange for its September 2029 Notes to be blocked in the relevant Clearing Systems to the order of the Registered Holder for the purpose of that Meeting; and
- (ii) submit an electronic instruction in accordance with the standard procedures of Euroclear and/or Clearstream via the relevant Clearing System to the Transfer Agent (an “**Electronic Voting Instruction**”)¹, indicating its wish to attend such Meeting in person or via another person (other than the proxy appointed by the Registered Holder in its block form of proxy) and providing the name, email address, telephone number and identity document number of the relevant attendee such that arrangements may be made for such person to be appointed as a proxy (by the Registered Holder) in respect of the September 2029 Notes in which that beneficial owner has an interest for the purposes of that Meeting. Any such identity document will need to be produced at the Meeting by such attendee in order to receive the relevant form of proxy,

in each case not less than 48 hours before the time fixed for the Meeting (the “**Voting Deadline**”) (or, if applicable, any adjourned such Meeting) and within the relevant time limit specified by the relevant Clearing System (who may set a significantly earlier deadline) and such September 2029 Notes will not cease to be so blocked until the first to occur of (a) the conclusion of the Meeting or any adjourned such Meeting and (b) the notification by the Transfer Agent to Euroclear or Clearstream, as the case may be, of revocation of the Electronic Voting Instruction after receipt by the Transfer Agent of a valid Revocation Instruction from such beneficial holder or the compliance in such other manner with the rules of Euroclear or Clearstream, as the case may be.

1.2 Attending and voting at the Meeting via a proxy appointed by the Registered Holder in its block form of proxy

If a beneficial owner wishes the votes attributable to its September 2029 Notes to be included in a block form of proxy for the relevant Meeting or any adjourned such Meeting, then the beneficial owner must:

- (i) arrange for its September 2029 Notes to be blocked in the relevant Clearing Systems to the order of the Registered Holder for the purpose of the Meeting; and
- (ii) submit an Electronic Voting Instruction indicating its agreement to appoint the proxy designated by the Registered Holder as its proxy to attend and vote (on its behalf) and its direction as to how those votes are to be cast,

in either case, not less than 48 hours before the time fixed for the Meeting (or, if applicable, any adjourned such Meeting) and within the relevant time limit specified by the relevant Clearing System (who may set a significantly earlier deadline) and such September 2029 Notes will not cease to be so blocked until the first to occur of (a) the conclusion of the Meeting or any adjourned such Meeting and (b) the notification by the Transfer Agent to Euroclear or Clearstream, as the case may be, of revocation of the Electronic Voting Instruction after receipt by the Transfer Agent of a valid Revocation Instruction from such beneficial holder or the compliance in such other manner with the rules of Euroclear or Clearstream, as the case may be.

A beneficial owner who has submitted an Electronic Voting Instruction may at any time prior to 48 hours before the time fixed for the Meeting (or, if applicable, any adjourned such Meeting) exercise its right to revoke such instruction by sending a Revocation Instruction to the Transfer Agent in accordance with the rules of Euroclear or Clearstream. Any Electronic Voting Instruction given may not be revoked in any circumstances during the period starting 48 hours before the time fixed for the Meeting and ending at the conclusion of the Meeting.

1.3 Electronic Voting Instructions

Each Electronic Voting Instruction should clearly specify one of the following options, as to whether the beneficial holder wishes to:

- (a) appoint the proxy designated by the Registered Holder as its proxy to attend and vote (on its behalf) in favour of the Extraordinary Resolution; or
- (b) appoint the proxy designated by the Registered Holder as its proxy to attend and vote (on its behalf) against the Extraordinary Resolution; or
- (c) appoint the proxy designated by the Registered Holder as its proxy to attend and abstain from voting (on its behalf) on the Extraordinary Resolution; or
- (d) attend the meeting in person or appoint any person (other than the proxy designated by the Registered Holder) as its proxy to attend on its behalf.

Noteholders should note that the Extraordinary Resolution will be voted on as a single resolution. Each Noteholder may, in relation to its September 2029 Notes, vote for, against, or abstain from voting on the Extraordinary Resolution, but may not vote separately on, or approve only part of, the Extraordinary Resolution.

The Electronic Voting Instruction should also state the beneficial owner's name, email address, telephone number, and amount of September 2029 Notes held by such beneficial owner. The receipt of such Electronic Voting Instruction by Euroclear or Clearstream, as applicable, will be acknowledged in accordance with the standard practices of Euroclear or Clearstream, as applicable, and will result in the blocking of the relevant September 2029 Notes in the relevant beneficial owner's account with Euroclear or Clearstream, as applicable. By submitting an Electronic Voting Instruction, the submitting beneficial owner consents to all information

indicated on such Electronic Voting Instruction being disclosed to the Clearing Systems, the Transfer Agent, the Trustee, and/or the Instructing Holders and their respective advisors.

The Electronic Voting Instructions **should not be delivered to the Issuer, the Guarantor or the Trustee**. Beneficial owners who wish to attend the Meeting must provide their Electronic Voting Instructions by transmitting them or procuring their transmission to the relevant Clearing System.

Noteholders are advised to submit or procure their custodians to submit their Electronic Voting Instructions as soon as possible and well before the Voting Deadline. Electronic Voting Instructions (including any revocations of Electronic Voting Instructions) must reach the Transfer Agent by the Voting Deadline. Any Electronic Voting Instructions (including any revocations of Electronic Voting Instructions) received by the Transfer Agent after the Voting Deadline will not be accepted for the purposes of voting on the Extraordinary Resolution set out in this Notice.

1.4 Expected Timetable

An expected timetable of events in relation to the Meeting is set out below.

Event	Date	Time
Voting Deadline	28 September 2026	10:00 a.m. Hong Kong time
Meeting	30 September 2026	10:00 a.m. Hong Kong time

2. The quorum required for an Extraordinary Resolution to be considered at the Meeting is two or more persons present and holding or representing more than 50 per cent. of the aggregate nominal amount of the September 2029 Notes then outstanding.

In the event the relevant quorum is not present within 15 minutes from the time initially fixed for the Meeting, the Meeting shall be adjourned until such date, not less than 14 nor more than 42 days later, and time and place as may be decided by the chairman of such Meeting. If the Meeting is adjourned for a want of quorum, the Trustee shall give at least 10 days' notice of the adjourned Meeting to the Noteholders, in the same manner as this Notice. At any such adjourned Meeting two or more persons present and holding or representing any aggregate nominal amount of the September 2029 Notes then outstanding shall form a quorum.

Forms of proxy obtained and Electronic Voting Instructions given in respect of the Meeting (unless revoked in accordance with the terms of the Trust Deed and, in the case of Electronic Voting Instructions, in accordance with the procedures of Euroclear or Clearstream, as the case may be) shall remain valid for any such adjourned Meeting.

Noteholders should note these quorum requirements and should be aware that, if the Noteholders either present or appropriately represented at the Meeting are insufficient to form a quorum for the Extraordinary Resolution, the Extraordinary Resolution cannot be formally considered at the Meeting. Noteholders are therefore encouraged either to attend the Meeting in person or to arrange to be represented at the Meeting as soon as possible.

3. Every question submitted to the Meeting shall be decided in the first instance by a show of hands and in case of equality of votes the chairman of such Meeting shall both on a show of hands and on a poll have a casting vote in addition to the vote or votes (if any) to which he may be entitled as a proxy or as a representative.

Unless a poll is (before, or on the declaration of the result of, the show of hands) demanded by the chairman of the Meeting, the Issuer, the Guarantor, the Trustee or any person present holding or representing in the aggregate not less than 2 per cent. of the nominal amount of the September 2029 Notes then outstanding, a declaration by the chairman of the Meeting that a

resolution has or has not passed shall be conclusive evidence of the fact without proof of the number or proportion of the votes cast in favour of or against such resolution.

On a show of hands every person who is present in person and is a proxy or representative shall have one vote. On a poll every such person shall have one vote in respect of each US\$1 of the September 2029 Notes in respect of which he or she is a holder, proxy or representative.

4. To be passed at the Meeting, the Extraordinary Resolution requires a majority of at least 50 per cent. of the votes cast in respect of such Extraordinary Resolution. If passed, the Extraordinary Resolution shall be binding on all Noteholders, whether or not present at the Meeting and whether or not voting.
5. September 2029 Notes that are beneficially held by or on behalf of the Issuer, the Guarantor or any of their respective Subsidiaries and not cancelled shall (unless no longer so held) be deemed not to remain outstanding for the purposes of the Extraordinary Resolution and the Meeting.

Appendix 1
Instructing Holder Statement

STATEMENT BY INSTRUCTING HOLDER

This statement is made on behalf of a substantial holder (the “**Holder**”) of the U.S.\$500,000,000 6.75% notes due in 2029 (the “**Notes**”) issued by Greenland Global Investment Limited (the “**Issuer**”) and guaranteed by Greenland Holding Group Company Limited (“**Greenland**”, together with its subsidiaries, the “**Greenland Group**”).

The Holder holds more than 10% of the outstanding Notes and has been working with other long-standing and meaningful holders of the Notes. The Holder is represented by Sullivan & Cromwell as its legal counsel and working with Moelis & Company as its financial advisor.

The Holder recently instructed The Hongkong and Shanghai Banking Corporation Limited, as trustee, to convene a meeting of noteholders to consider acceleration and other enforcement steps with respect to the Notes, including, but not limited to, a winding-up petition against Greenland in Hong Kong and against the Issuer in BVI.

Despite the patience and understanding from the noteholders, there has been nothing but failed attempt of tender offer and consent solicitation, followed by utter silence from the Greenland Group for almost a year. The Holder believes it has been left with no option but to coordinate with other creditors and take enforcement steps to protect their legal rights.

By way of background, the Greenland Group completed two liability management exercises with the support of the noteholders including one in November 2022 and the other in September 2023. As a result, the Greenland Group obtained an extension of the maturity of the Notes from September 2023 to September 2025 followed by a further four-year extension to September 2029. It has also obtained the right to pay interest in kind for certain specified periods. Such concessions from the noteholders have given the Greenland Group a substantial amount of time to stabilize its business and formulate a sustainable and fair solution.

On 1 August 2025, the Issuer launched a tender offer and consent solicitation in respect of nine series of offshore notes, including the Notes, at a price of 19 cents per dollar of outstanding principal amount, inclusive of accrued and unpaid interest. However, on 3 October 2025, it abruptly terminated the exercise, stating that the Greenland Group had been unable to secure the funding required for the purchase price and consent fee. The Issuer offered no substantive explanation as to why the funding had not been secured, no alternative proposal and no timetable for next steps. The Issuer has failed to pay any interest due on the Notes on 26 September 2025 and 26 March 2026. The resulting Events of Default are still continuing.

There has been so far no communication or any engagement from the Greenland Group, let alone any credible plan. In addition, the Greenland Group has not provided any meaningful update on the status of certain offshore assets, the cash proceeds from the sale of which are subject to a cash sweep mechanism in favor of the noteholders.

On the other hand, as a stark contrast, the 2026 half-year report of Greenland Holdings Corporation Limited described the group’s operations as stabilizing and improving. It reported RMB66.7 billion of revenue, positive operating cash flow of RMB726.7 million and year-on-year growth of 5.87% in contracted real estate sales for the first half of 2026. Its 2025 annual report continued to describe the group as a large diversified enterprise that ranked in the Fortune Global 500 in 2025. As at the date of this statement, the market capitalization of Greenland Holdings Corporation Limited exceeds RMB18 billion.

All of this calls into question whether the Greenland Group is treating the default of the Notes with requisite seriousness. The Holder invested in reliance on Greenland's brand, scale and shareholder base. It is not acceptable for Greenland to ignore its payment obligations under the offshore notes while carrying its business as usual. In this regard, the Holder calls on the directors of the relevant Greenland Group companies to comply strictly with their duties under applicable law, including any duties requiring them, in the applicable circumstances, to have regard to creditors' interests.

The Holder sincerely hopes that the public expression of its concerns will prompt immediate, meaningful and substantive action by the Greenland Group. The Holder reserves all rights and remedies under the Notes, the Trust Deed, the Deed of Guarantee and applicable law. Nothing in this statement constitutes a waiver of any such rights or remedies.
